RAIL ALE TRAIL RULES

Visit stations and nearby pubs, drink beer, visit local attractions, collect stickers, win a Rail Ale Trail-branded baseball cap !!

Taking part couldn't be easier! Bar staff will put one sticker on this Sticker Card when you:

1. Show them one train ticket/pass, valid for that day and time.
2. Buy a glass (half or a pint) of **CASK-CONDITIONED REAL ALE**.

Only one sticker to be collected per pub per person. Check opening hours before travelling.

There are 9 stations to be visited, each with 1 to 4 participating pubs nearby. There are 20 pubs in total, printed in **RED** on the reverse of this sheet.

Visit at least one participating pub near each station. Show them a valid train ticket/pass and buy at least one Real Ale, per person, to be given a sticker. Collect a sticker from a pub near each of the 9 stations, and one from 6 different pubs (making 15 in total) and win a Rail Ale Trail-branded baseball cap.

To claim your prize

Complete your details below (one entry per person). Please include a phone/mobile number and add your email address if you have one. These details are needed so that we can acknowledge your entry and contact you if we have questions. Your contact details will not be passed on to anyone else.

You can submit your entry by email. Take a clear photograph of your completed Sticker Card (keep the card !) and attach the photo to an email sent to C2MRailAleTrails@gmail.com.

You can also send your entry by post. Send it to **C2M Rail Ale Trail, 13 Woodlands Road, Handforth, Cheshire, SK9 3AW**.

For extra kudos, help us identify the Best Beer and the Best Pub. Please enter the name of a stand-out beer you had, plus the name of a particularly appealing pub you visited – not necessarily the one with your stand-out beer. Each completed sheet entitles you to nominate a different pub and beer.
